Please bring your pet's normal dry food with you. They are happier and healthier eating their normal diet rather than a short period of a different food.

Prices for chicken lodges are inclusive of food, corn and treats so no need to bring their food with you.

Bank holiday periods are charged at normal rate except Christmas day, Boxing day and New Year's day, which are charged at double rate.

Please see terms and conditions for a full breakdown and explanation of our pet care.
